### DENTISTS PROFESSIONAL LIABILITY TRUST OF COLORADO

THIS AGREEMENT, is entered by the undersigned "Participant" and The Dentists Professional Liability Benefit Plan, Inc., a Colorado corporation ("Trustee") as Trustee of The Dentists Professional Liability Trust dba Dentists Professional Liability Trust of Colorado ("Trust").

WHEREAS, the Participant, upon acceptance as a Participant in the Trust, is thereby entitled to purchase a professional liability policy upon such conditions as shall be determined from time to time by the Trustee.

NOW, THEREFORE, for and in consideration of the mutual promises herein contained, it is agreed as follows:

1. Participant acknowledges that he/she has received a copy of the Trust Agreement for Dentists Professional Liability Trust of Colorado (the "Trust Agreement") as revised September 1, 2019 and has reviewed its contents, including the provisions relating to termination of Participation. The Participant agrees to comply with all terms and conditions of the Trust Agreement, including any modifications thereof or supplements thereto, and any coverage agreement between the Trust and Participant, as well as any rules, regulations, eligibility requirements, and policies adopted by the Trustee from time to time; the provisions of all the foregoing, as amended from time to time are incorporated herein by this reference.
2. The Trustee agrees to provide Participant with professional liability coverage in such amounts and upon such conditions as Trustees shall prescribe from time to time, which coverage will be evidenced by a Coverage Agreement (Policy). Nothing in this provision, however, negates or abridges Trustee's rights to cancel or non-renew a Policy as may be allowed by the terms of the Coverage Agreement and applicable law.
3. The Participant acknowledges that participation in the Trust and any professional liability coverage provided by the Trust are subject to termination as provided in the Trust Agreement, this Participation Agreement, or any professional liability Coverage Agreement provided by the Trustee.
4. Participant acknowledges that the purpose of participation in the Trust is to permit the Participant to purchase professional liability coverage, upon such terms and conditions as the Trustee shall establish. The Trust contributions will be timely paid by Participant as they become due, and will be used to administer and pay claims, and to generate such reserves as the Trustee shall determine are advisable from time to time.
5. Participant agrees that termination or non-renewal of his Participation in the Trust shall automatically terminate the effective claims-made and reporting period remaining, if any, as of the date of termination or non-renewal, and that termination or non-renewal of any coverage provided by the Trust to Participant shall automatically terminate Participant's participation in the Trust. Upon termination or non-renewal of Participant's participation in the Trust, any interest in the Trust assets to which Participant would otherwise be entitled will be forfeited; and the payment of such claims and other benefits as are provided in the Coverage Agreement or other agreement issued by the Trustee to Participant shall be the only continuing benefit to which Participant shall be entitled, the payment thereof to be subject to the provisions of such Coverage Agreement or other agreement.

6. In the event of the termination, merger or consolidation of the Trust, the Trust Assets may be transferred or disposed of in such manner as shall be determined by the Trustee in accordance with the Trust Agreement, as amended from time to time, and in accordance with the provisions hereof; provided, however, that only those persons who, at the time of such termination, merger or consolidation, are Participants of the Trust shall be deemed to have any interest in the Trust Assets. Participant understands and agrees that his/her interest in the Trust Assets shall be contingent in nature, and shall be subject to forfeiture as provided in paragraph 5 above.

7. Participant recognizes that the Trust Agreement grants broad authority to the Trustee in operation and management of the Trust; and specifically grants broad authority for election and removal of the Trustee, and for reorganization or termination of the Trust to a voting majority of Participants. Participant agrees that in the event of any such merger, consolidation or reorganization of the Trust resulting in the creation of any successor entity, such a merger, consolidation, or reorganization shall not constitute a termination or any other event or change of circumstances which would require any distribution of assets of the Trust to Participants, provided that the successor entity assumes liability for the obligations of the Trust under the Coverage Agreement.

8. In the event of any conflict or inconsistency between the provisions of this Participation Agreement and those of the Trust Agreement, as amended from time to time, the provisions of the Trust Agreement, as amended, shall govern and control the rights and obligations of the parties hereunder.

B. Application. Any eligible dentist desiring to become a Participant shall execute an Application form prescribed by the Trustee. Such Application shall be processed in accordance with eligibility requirements adopted by the Trustee; provided, however, that due process shall be observed in the consideration of and action upon any such application for membership. In addition to proof of reputable character, of adequate education and training, of adherence to proper ethical standards, and of acceptable physical, mental and emotional condition, and freedom from conditions which impair the capability to provide an acceptable standard of dental care, the applicant for participation may be required to furnish proof that his or her practice of dentistry is consistent with generally accepted standards of dental care and does not present an unacceptable risk, as determined by the Trustee, of professional liability.

C. Participation Agreement. Upon acceptance by the underwriter of an application for professional liability coverage through the Trust, the applicant shall be required to agree to be bound by the provisions of this Agreement and any rules, regulations, eligibility requirements and policies adopted by the Trustee. The form and contents of the Participation Agreement

and the professional liability policy shall be determined by the Trustee, and may be revised or amended by the Trustee from time to time; provided, however, that any reduction in coverage, potential reduction in coverage, new limitations or new exclusions or increase in premium will not be effective until after thirty (30) days' notice is given to all Participants then participating in the Trust.

**D. Appeal From Rejection of Application for Participation.** If an application for participation shall be rejected by the underwriter, the applicant shall have the right to appeal that decision to the Trustee, in accordance with rules and regulations adopted by the Trustee.

**E. Termination of Participation - By Trustee.** The Trustee shall have the power to terminate a Participant's rights and privileges in the Trust. Grounds for termination shall include the following:

1. Failure to comply with the provisions of this Agreement, or any other agreement between the Trust and the Participant, including the terms of any professional liability policy issued by the Trust to such Participant, and the terms of the Participation Agreement;
2. Failure to follow the loss control or risk management rules and regulations established by the Trustee;
3. Breach of any of those qualifications for membership set forth in Section B of this Article;
4. Loss or suspension of license to practice dentistry;
5. Nonpayment of any contribution required to be made by the Participant, including, but not limited to, any contingent liability payment assessed by the Trustee in accordance with the Participation Agreement.

In the event of termination of a Participant for nonpayment of contributions, such termination shall be as of the date such contribution was required to be paid. In the event of termination for any other cause, the Participant shall be entitled to a hearing for reinstatement in accordance with rules of due process as established by the Trustee, and such termination shall be effective as of the date and upon the terms and conditions specified by the Trustee.

**F. Termination of Participation - By A Participant.** Any Participant shall have the right at any time, by notice delivered to the principal office of the Trust as established by the Trustee from time to time, to terminate his or her participation therein. In the event of such cancellation, the amount of the Participant's contribution to be retained by the Trust shall be computed in accordance with a short-rate table and procedure to be adopted by the Trustee.

**G. Effect of Termination Upon Interest in Trust Assets.** Upon termination of participation in the Trust, whether by the Trustee or the Participant, the terminated Participant shall forfeit any interest in the Trust Assets to which the Participant would otherwise be entitled.

**H. Guarantees.** Should any terminated Participant have made any endorsements or guarantees for and on behalf of the Trust to any third persons, including commercial lenders, such guarantees shall not be released by such termination of participation.

The Trustee shall have the power to require the payment of prorated portions of contributions and to adopt policies, including the applicability of short rate tables, regarding the calculation of refunds in the event of termination of participation. The prompt payment of such contributions to the Trust by each Participant shall be a condition precedent to the continuation of the Participant's participation in this Trust.
